

Biocidin® Capsules

Product Description

Biocidin® is a potent **Broad-Spectrum Botanical Combination** which addresses the G.I tract and supports a **healthy and balanced intestinal ecology**. In addition to G.I. uses, it may also be used as nutritional support for **systemic wellness**, and is an excellent support for **winter wellness**.

Biocidin® is recommended by leading physicians in the field of Functional and Integrative Medicine, who are faced with complex and chronic clinical presentations.

Independent laboratory testing has concluded that this formulation has broad reaching effects in various and challenging environments. For general use it has been helpful for those undergoing cleansing programs and for health maintenance.

Summary of Benefits:

- » **Broad-Spectrum Botanicals and Essential Oils target Systemic and G.I. Wellness.**
- » **Laboratory and Clinically Tested for Effectiveness for over 25 years.**
- » **Easy to Swallow "1" size liquid filled capsules contain Biocidin® liquid extract.**
- » **Recommended by leading G.I., Autism, and Lyme specialists.**
